National Park of Tatra

Tripadvisor's Certificate of Excellence Awards

ABOUT THIS TRIP

8 DAYS / 1 NATIONAL PARK / LEVEL OF DIFFICULTY: MODERATE

Come and enjoy excellent hiking tours in the oldest national park (located in the North Central Slovakia) with the highest peaks of Slovakia. Numerous marked tourist trails offer excellent hiking for beginners, more advanced hikers and professional mountain climbers.

The main attractions in High Tatras (Vysoké Tatry in Slovak language) are tours to the peaks, while enjoying truly spectacular views, deep valleys, dwarf pines, more than 100 mountain lakes and several waterfalls.

There are almost 30 peaks over 2500 m. The highest peak is Gerlachovský štít, 2,654 m (8,707 ft), the second highest is Lomnický štít, 2,634 m (8,641 ft), it is possible to visit the top of the peak by cable car.

As the symbol of Slovak mountains is considered a spectacular Mt. Kriváň, 2,494 m (8,182 ft). National Park of Tatras (TANAP) is home to the mountain goat (chamois), golden eagle, brown bear, lynx, fox, wolf and alpine marmot. Our guide will have a binocular, so with little bit of luck we might spot some of these animals in the distance.

Group size is 2 to 7 people, larger groups on request with an extra discount.

Our Base Camp will be in Strbske Pleso - the highest located mountain resort with a mountain lake and breathtaking views. You will stay all overnights in the heart of the mountains.

Equipment required: hiking boots, waterproof clothing, raincoat, backpack
Some hiking trails might be closed. Alternative trails available.

Tour guides have been personally chosen by Peter Blazicek, CEO & founder. They are experienced, professional, knowledgeable and passionate.
