## YOUR TOUR ITINERARY

Only 2 hours drive through the green countryside, rolling hills and we are in a cultural and economic center of Central Slovakia. **Banska Bystrica** belonged in the old days to the three richest Slovak mining towns and was nicknamed as a copper town for its mining activities in the era. We'll start with a **Quality Walking Tour** around the magnificent square and climb up to the "leaning" **Clock Tower** to get the best views. We still can see some of the original town walls and three bastions. Admire the **St. Francis Xavier Church, the Thurzo House** and **Barbacan**. In 1944, Banska Bystrica became the center of the **Slovak National Uprising**, the second-largest insurrection against the German Nazi regime. We'll enter the museum of the Slovak National Uprising. Get a comprehensive History lesson not only about mining and era. Tasty lunch at Bystricka Klubovna (former part of Barbacan castle).

On the way back to Bratislava, a short stop in Hronsek village and visit of a unique **wooden church Hronsek**.

Our professional and passionate Guide-driver will get you overview of history of Slovakia with focus on 20th century (WW1, Czechoslovakia, WW2, CSSR, Communism, Velvet revolution and Velvet divorce and present-day life).

We'll do our best to make your day lovely and memorable.
