YOUR TOUR ITINERARY

Only 2hrs east from Bratislava we can admire one of the richest towns of the former Kingdom of Hungary. It was the king Charles Robert who in the 14th century gave privileges and Kremnica became **free royal and mining town**. A special privilege was that of a coinage. **The mint of Kremnica**, - is the world oldest still running mint.

The mint of Kremnica also produced the ducats, which were highly praised for their quality and beauty and joined the most favourite coins in Europe. We'll walk around the town square and admire its dominants – **the Baroque Trinity Pillar, the Kremnica Town Castle, the gothic Church of St. Catherine** and one of the best-preserved **town fortifications.**

Get a comprehensive history overview about history of Slovakia and our present daily-life.

Our professional and passionate Guide-driver will get you overview of history of Slovakia with focus on 20th century (WW1, Czechoslovakia, WW2, CSSR, Communism, Velvet revolution and Velvet divorce and present-day life).

We'll do our best to make your day lovely and memorable.
