YOUR TOUR ITINERARY

We'll visit the elegant area around the spectacular Chateau Lednice and Chateau Valtice. An absolutely unique park has been created here over the centuries, full of rare tree species, romantic little buildings, fishponds and beautiful little corners. The Lednice-Valtice Complex, which has been included in the UNESCO list, is known as the Garden of Europe to this very day.

We'll start with the guided tour through **Chateau Lednice** which gained its ostentatious neo-Gothic appearance thanks to conversion in the middle of the 19th century. At that time, it was used for summer meetings of the European aristocracy. A short walk through the spectacular garden, then, it's time for a lunch – try tasty Czech cuisine and a glass of superb Moravian wine.

We'll visit another jewel, the **Chateau Valtice** – once it was the spectacular residence of the Austrian and Moravian Lords of Lichtenstein. It is known not only for its beauty, but also the long tradition of winemaking. Grape vines were brought here by the Roman legion of Emperor Marcus Aurelius, who regarded the area of Pálava as suitable for cultivation of wine.

We'll do our best to make your day lovely and memorable.
