ABOUT THIS TOUR

8 DAYS / 1 COUNTRY / 5 UNESCO SIGHTS / LEVEL OF DIFFICULTY: EASY

Enjoy the unique tour around Slovakia with 2 professional, native Slovak tour guides they will be with you on the entire tour.

Michal Razus, professional genealogist and tour guide who lives and works in Eastern Slovakia's city of Presov, and **Peter Blazicek**, expert tour guide who was born and grew up in Bratislava, now lives just few steps away in a small village Limbach in the Little Carpathians.

We both have more than 17 years of travel experiences, welcomed and guided thousands of travelers around Slovakia.

We'll introduce you the entire Slovakia, its regions, together we'll discover the highlights as well as out-of-the-beaten-tracks, medieval towns with fortification walls, majestic castles and their stories and legends, wooden churches, and various UNESCO sights.

As the Slovak Ancestry Tour is focused on Slovak-Americans with their roots in Slovakia, especially worth is a visit of the unique **Museum of Emigration** (from Slovakia to Northern America) nicknamed as Kasigarda, where we'll meet the founder & owner, Mr. Martin Javor, a historian and professor at the University of Presov.

Eastern Slovakia has many jewels, and we visit **Bardejov** town (Unesco World Heritage), the 500-year old wooden **Church Saint Francis of Assisi**, **Tokaj wine Region** and its dessert wines

Enjoy gastronomical delights in **Kolibá traditional restaurant** full of genuine tasty Slovak meals, drinks and desserts.

Fall in love with Slovakia. The lovely, peaceful, friendly and yet not crowded country of your ancestors.

We both are responsible for the exceptional quality of the tour and our goal is to make your tour meaningful, lovely with life-long memories.

Eastern Slovakia – Museum Kassigarda – Tokaj wine region

We'll drive to the **Museum of Emigration** where we'll be welcomed by the founder and owner, Mr. Martin Javor who will share an interesting history of this museum.

The name of the Museum – Kasigarda is a Slovak crumb of the English Castle Garden, the main gate of the immigration office in New York, which every immigrant had to go through.

"Kasigarda" accurately reflects the phenomenon of emigration. Illiteracy, ignorance of language, hardship, stress, disappointment, but above all, the hope that Kasigard represented for many of our ancestors.

We'll move to the famous **Tokaj Wine Region** where we start with a tasty lunch – roasted duck breasts, red cabbage and dumplings followed by a wine tasting in the wine cellar (tasty lunch and 10 samples of Tokaj wines are **included**). French King Louis XIV did a remark about Tokaj wine varieties - "Vinum Regum, Rex Vinorum", Wine of Kings, King of Wines. Drive back to Kosice and on your own.
