A NOTE FROM THE CEO & FOUNDER OF BEST SLOVAKIA TOURS – TRAVEL COMPANY

My name is Peter. I was born in 1973 and grew up in Czechoslovakia. After the fall of communism in 1989, I began traveling with my parents, and some of my first trips to Western Europe were to Switzerland, France and Austria. I found traveling absolutely fascinating.

Slovakia, though, was always the country of my summer and winter holidays, especially in the spectacular Tatra Mountains.

In 2006, I organized a holiday around Slovakia for a small group of friends, and that's when an idea was born: to bring together everything I love. My homeland, traveling, learning foreign languages (I guide tours in English, German, Spanish and Italian), meeting people, and sharing the history of my country with travelers from all over the world. I discovered my passion and profession.

A year later, in 2007, I founded our travel agency in Bratislava, the capital of Slovakia. We started with private tours around Slovakia and later expanded to the neighboring countries. From the very beginning, my goal was to offer the highest quality services and attention to every detail. Today, our team of 10 top guide-drivers offers day trips, multi-day tours and longer journeys of 14+ days across Central Europe.

In 2014, my wife Janka joined the agency, and she works full-time as our office manager. She shares my love of Slovakia, travel and discovering new places, and she sometimes joins our tours, in Slovakia and in destinations such as Berlin, Kraków, Florence, Milan, Slovenia, Croatia and Romania.

We're proud that our guests describe traveling with us as "fabulous," with five-star service.

In 2027, we will celebrate 20 years of Best Slovakia Tours!

Step back into the days of the Roman Empire as you explore it both outside and inside. Here, some 50,000 spectators once gathered to watch gladiator fights and displays of exotic animals. This grand square was surrounded by triumphal arches, public buildings, the basilica, the market and temples. Walking through Pompeii's remarkably preserved streets and houses, you'll get a vivid picture of everyday life in a Roman city frozen in time almost 2,000 years ago.

Then savor the delicious cuisine of northern Italy, perhaps a creamy risotto or fresh fish from the lake. Afterwards, the time is yours: relax with a drink by the water, browse for souvenirs, stroll through Bellagio's charming stepped lanes, or simply take in the views and capture a few more

In ancient times, the Romans built a vast network of over 80,000 kilometres of roads stretching across their empire, and every one of them led back to the heart of it all: Rome. Emperor Augustus even placed a **Golden Milestone** in the Roman Forum, marking the symbolic point from which all distances were measured.
